There are two input fields: the first is labeled 'Voucher Code' with a placeholder 'Please enter your Voucher Code'; the second is labeled 'To validate your code, enter the first 6 digits of your Emirates NBD Credit Card' with a placeholder 'Please enter first 6 digits of credit card'. A blue 'ACTIVATE' button is positioned below the second input field.

2. Having validated your promotional code, you will need to create an account by registering your login details.

The screenshot shows the account registration page on the Mobilise Hotspots website. At the top, the navigation bar includes 'GOT A VOUCHER', 'HOTSPOT FINDER', 'SUPPORT', and 'LOGIN'. Below the navigation bar is the Emirates NBD logo. A progress indicator at the top shows three steps: '1 Voucher Details', '2 Your Details' (which is currently active), and '3 Complete!'. The registration form includes the following fields: 'Name' (filled with 'Nick Baldwin'), 'Email Address' (filled with 'nick@mobiliseconsulting.com'), 'Password' (masked with dots), and 'Confirm Password' (masked with dots). Below the form is a checkbox with the text: 'I agree with the terms and conditions issued by Mobilise Technology Ltd and by clicking "Submit", I confirm that I want the Mobilise Hotspots service to be provided to me immediately following the processing of my voucher code payment.' A blue 'SUBMIT' button is located at the bottom of the form.

3. When you click on “Submit”, you will then see the confirmation screen and a welcome email will be sent to your registered email address.

4. Then download the Apple or Android app as appropriate, using the link on the confirmation screen or found in the welcome email that you received. Open the app and log in with your registered details.
